

Getting Ready for the Newport Bus Trip

Get ready for an exciting day Thursday. Your registration includes transportation on a motor coach, admission to The Breakers Mansion, and the Ocean Drive Guided Tour. You'll receive a map of Newport, a bottle of water, and a light snack for the ride. Please note that the bus driver's tip is included, however, the Ocean Drive Tour Guide's tip is not, so feel free to reward the guide if you wish.

The Breakers Audio Tour is included with admission. Based on personal diaries, letters, records and oral histories, The Breakers audio tour offers first-person accounts of life in the house from members of the family, servants and their children. You'll also learn fascinating facts about The Breakers and how it was built, and see details of the rooms that you might otherwise not notice. **Download the Newport Mansions audio tour app** in advance and **bring your earphones or earbuds!** There are printed guides available if you prefer reading.

SIGN-UP for one of three buses when you pick up your badge Monday or during lunch on Tuesday. Please print legibly. Your Bus Captains are Patsy Cunningham, Jacqui Nye, and Irwin Ehrenreich.

LUNCH: It is recommended you make reservations if you're planning a sit down meal in one of the many local restaurants. Use [opentable.com](https://www.opentable.com) to make reservations or call the restaurant. Here's a short list that you may peruse, but there are other restaurants, eateries, and restaurant bars that serve delicious local foods to walk-ins. Check out their websites. You can't go wrong wherever you choose!

FOOD TRUCK NIGHT, 5-8 pm: Upon returning to the Crowne Plaza, there will be over a dozen food trucks and live music on the lawn. Trinity Brewhouse will be serving local beer and wine. You can bring your own lawn chair or blanket.

Newport Restaurants - There are many other restaurants and eateries.
